This half-day business skills workshop will put you in a positive frame of mind, educate you and enlighten you! Meet experts who will give you tools to strongly position yourself and your organization to be ahead of the competition in this recovering economy.

**Start Living Your Dreams Today -
Jeff Studzinski,
Revolutionizing Growth**

Come hear dynamic motivational speaker and success life coach share the key tips and secrets on how you can start "Today" living your dreams! Imagine the numerous opportunities

your life, career, relationships, and business would posses! Learn the positive attributes and actions you can implement into your daily life and career! Propel your limitless successes and dreams today!

**Goal Setting For A Bright Future -
Brian Thompson, Black & Essington**

What are you doing today to move your business forward? Brian A. Thompson of Black & Essington Solutions offers effective techniques for setting goals and creating sustainable results. Learn to make

massive changes in your professional life by applying proven principals to your daily activities and behaviors. This segment offers powerful strategies for recognizing opportunity, increasing productivity, and improving your time management skills.

**Grow Up and Out
into the New Economy -
Denise Stillman, Clear Directions**

Business growth requires careful planning and diligent action. If your business is stagnant and you want to grow, you need to re-evaluate every aspect of your original business plan

because the economy as we know it will not return. In this session, Denise Stillman, MBA, member of the International Association of Business Coaches, will provide you quick tips to re-write the future of your enterprise based on your existing business plan. Don't have a business plan? In this session, you'll also learn the ins and outs of writing a two-page business plan to get your business moving in the right direction.

**Marketing: Your Best Investment
In A Recovery - Rebecca Palumbo,
Rollins Palumbo Creative**

Building and maintaining a strong brand is what drives sales. Marketing and advertising is what builds that strength. Companies that aggressively market in a tenuous economy see

256% better sales over competitors that choose not to advertise. How should you approach your target? What works and why? Rebecca Palumbo of Rollins Palumbo Creative will teach you to use your marketing dollars in the most effective way possible.

**Facebook For Business -
Josh Studzinski,
Focused Online Marketing**

Are you using Facebook to grow your business? Josh Studzinski from Focused Online Marketing, Inc. will explain how to start a Facebook Fan Page, how to grow your network and

customer base, how and when to update, and most importantly, the keys to success with Facebook. You will learn the skills and tips you can apply today to your business using Facebook!
